## Summary

I am seeking an opportunity to enhance skills and expand knowledge while leveraging expertise. Ready to embrace all challenges, eager to contribute, and grow within a dynamic team environment.

## Objective

**Short-term goals:** Within 1 year master knowledge and participate in at least 1 practical project. Improve programming skills and become Middle in the next 2 – 3 years.

**Long-term goals:** Progress to Senior level within 4 years, then elevate to Technical Lead within the next 2 years.

## Skills

- HTML
- CSS, SCSS, TailwindCSS
- JavaScript, TypeScript
- ReactJS, NextJS
- NodeJS, ExpressJS, NestJS
- Socketio
- Redux (toolkit)
- MongoDB, PostgreSQL
- Git, Figma

## Experience

### Freelancer

Frontend • Feb – Apr 2024

#### SimVang

Teamsize: 6

**Technical:** NextJS, Next-Auth, TailwindCSS,...

#### **Describe:**

- Implemented interfaces for home, products, product detail, help, privacy and terms of service pages.
- API integration for home, products and product detail pages.
- Handled filtering by type and sorting by name, price, and date.

### Zodinet

Web Developer • Feb – Apr 2023

During a 3-month web development internship, I collaborated with a team of three to delve into the product development lifecycle. We explored every stage, from brainstorming ideas to bringing them to life through implementation and deployment.

#### Dating App

Teamsize: 4

**Technical:** NextJS, NestJS, Redux, PostgreSQL, Socketio, SCSS

#### **Describe:**

- Implemented the entire user interface.
- Handled registration, login, and profile update API.
- Integrated API into swipe, map, detail profile, and update profile.

## Personal Project

### EduGenious

Web Developer • Nov – Jan 2024

**Technical:** NextJS, NestJS, Redux, MongoDB, TailwindCSS

Teamsize: 1

#### **Describe:**

- Search and view courses many numerous categories, filtering by ratings and skill levels.
- Study online courses and review the courses your purchased.
- Login to manage your profile, courses, buy/sell options and pay online with Paypal.
- Admin manages.

## Education

**2019 – 2023 | HCM University Of Education**

**Graduated:** Good – 2.8 / 4.0

Bachelor of Computer Science – Software Engineering
